1

PICK YOUR HUT

Choose from the five units above. Need a bathroom fit-out, a floor or a deck? Say so and we quote it with the hut.

2

TELL US WHERE

Send your address and a photo of the spot. We confirm delivery and installation cost for your site.

3

WE BUILD IT

Pay the deposit, we manufacture and assemble on a level base. You get the keys.

CAMP

The all-rounder.

R23 000

INCL. VAT

ABOUT

A pitched-roof hut with a wide open entrance and a single window. Big enough to work in, tough enough to leave on a farm, a campsite or a building site.

GOOD FOR

- Camp & farm hut
- Guard room
- Site store
- Workshop

WHAT YOU GET

- Barn-profile roof for extra headroom
- Wide open entrance — door optional
- Single opening window
- Sandstone exterior finish
- Delivered and assembled on site

SPAZA CONTAINER

Open for business.

R14 202.50

INCL. VAT & FLOOR

ABOUT

A lockable trading unit with a serving hatch. Set it down, stock it, trade. Our entry price point — and the floor is included.

GOOD FOR

- Spaza / tuck shop
- Kiosk & ticket office
- Car-wash office
- Gate house

WHAT YOU GET

- Serving hatch with lockable shutter
- Solid lockable door
- Floor included
- Charcoal exterior finish
- Lowest price in the range

1 ROOM GREEN

One room. Many jobs.

R18 471.22

INCL. VAT

ABOUT

A single room with a proper hinged door and window under a mono-pitch roof. The one you buy when you need a room, not a shed.

GOOD FOR

- Garden room
- Staff quarters
- Guard room
- Overflow classroom

WHAT YOU GET

- Mono-pitch roof with overhang
- Full hinged door
- Opening window
- Turquoise finish with red trim
- Fast assembly on a level base

BATH

Plumbing-ready privacy.

R28 750

INCL. VAT

ABOUT

A closed unit with a solid door and a high privacy window, built to take a bathroom or ablution fit-out. Overhanging roof keeps the door dry.

GOOD FOR

- Site ablution
- Outdoor bathroom
- Staff bathroom
- Guest-cottage add-on

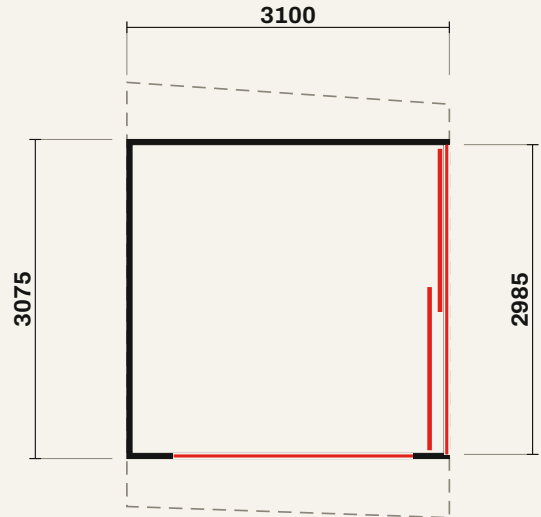

WHAT YOU GET

- Solid steel-look door with lock
- High-level privacy window
- Overhanging roof
- Grey skirt base
- Bathroom fit-out on request

FLOOR PLAN · MM

R27 542.50

INCL. VAT · EXCL. FLOOR · 9.5 M² EXTERNAL

ABOUT

Nine and a half square metres of finished room, built on the Shell Case modular system. Angled walls, a cantilevered canopy and a full-width aluminium sliding door. Delivered flatpack and assembled on site in a day.

GOOD FOR

- Home office
- Studio
- Consulting room
- Guest room

WHAT YOU GET

- 50 mm insulated wall panels
- 50 mm insulated roof panels
- Full-width aluminium sliding door
- Aluminium top-hung windows
- Spray-on plaster and two coats of paint
- Your choice of wall, roof and door colours

FOOTPRINT	FLOOR AREA	WALLS & ROOF	LEAD TIME
3 100 × 3 075 mm	9.5 m ² (8.9 m ² internal)	50 mm insulated panels	6–8 weeks

NOTE

Price is for the unit as shown. Floor finish, the electrical pack (DB board, lights, plugs), architectural drawings, council submission and decking are quoted separately. Free delivery in Gauteng; per-kilometre rate beyond it.
